HOMESTEAD COMMANDER 6TH looks like a son of old Commander. He is a typically correct son, being typy and well balanced. This calf displays uniform thickness throughout and has a great head to match the rest of his desirable beef characteristics. This was the calf we would have put in the cancelled Ohio-Indiana-Michigan sale. Homestead Commander 4th is a half-brother to our 1961 Ohio State Show Grand Champion bull, Homestead Commander 3rd.

SCOTSDALE MASTERPIECE—The senior herd sire at the Hoewischer Farm. His first calf sold for \$1125 at Chicago last fall. Heifers lots 26 and 27 are carrying his service. The bull lot 7 is one of the first sons to sell.

S M BIG BOY is a rugged good doing calf with a wonderful rich red color. We have always classed his mother as one of the two best daughters of old Dunrel that we have in the herd. One full brother of his dam was top bull in a state sale a few years back when he sold to Alvin Baird of Virginia for \$700. We think an over all rating of this calf from the standpoint of his pedigree, color and individuality should guarantee his performance. Bangs certified and TB accredited.

Shorthorn Judging Contests

Open To All Ohio 4-H & FFA

Ohio Shorthorn Breeders' Association, Ohio Polled Shorthorn Association and Ohio Shorthorn Lassies are jointly sponsoring junior the Auglaize County Shorthorn Breeders' Sale at the Fairgrounds at Wapakoneta, Ohio, and the morning of Saturday, April 14, before the Southern Ohio Shorthorn & Polled Shorthorn Sale at the Fairgrounds at Georgetown, Ohio. Both contests start promptly at 9 a. m.

These Shorthorn judging contests are open to all 4-H and FFA boys and girl in Ohio. The high-scoring individuals at Wapakoneta will be awarded a first prize certificate of \$100 and a second prize certificate of \$50 applicable to the purchase of Shorthorns and Polled Shorthorns in the March 24 Auglaize County Sale, the April 2 (evening) Ohio State Polled Shorthorn Breeders' Sale at the Fairgrounds at Washington C. H., Ohio and the April 14 Southern Ohio Sale. Similar individual prizes will be awarded at Georgetown towards the purchase of Shorthorns in the April 14 Southern Ohio Sale. In both contests, plaques provided by the district associations will be awarded to the winning 4-H and FFA teams.

The junior judging contests are typical of projects conducted by Ohio Shorthorn—Polled Shorthorn—Lassies Correlating Committee to familiarize the public with the superior merits of Shorthorns and Polled Shorthorns for breeding and feeding better beef cattle. You can help carry on this constructive work by joining your state association. For further information, write:

WILSONA GOLDIE 5TH—A beautiful heifer that has a world of style and character, she is the kind of heifer we would much rather keep in our herd. She is more than a 3-4 sister to Wilsona Lavendar 4th our Reserve Jr. Champion Female at the 1959 Indiana State Fair, being sired by Argen Air Express and out of a dam by B & B Perfect Favor. We have had this Goldie family on our farm since 1940 as they have been excellent producers. Sells open with breeding privileges to either Scotsdale Montrose, by Calrossie Prefect, or Trinity Constructor 4th by Bapton Constructor. Vaccinated for Bangs and entered in the Hoosier Gold Medal Calf Club.

STANDARD GUARANTEE

— O F —

American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
